## \*ABOUT ME\*

Hi, my name is Carolina, I'm 20 years old, I'm Portuguese, live in Lisbon, Portugal and I aspire to be a **Graphic Designer**. If you knew me you would know my passion for books, watching football games with my dad, going out to dinner with my friends and if it is a Sunday you'll probably find me watching a F1 Race. I'm open to try new projects and learn new techniques, I would love to have the opportunity to join one of my passions with my creative side as a designer, that would be the absolute goal and dream.

## \*EXPERIENCE\*

### Vogue Portugal Magazine

I worked with **Vogue Portugal** in a contest to create the design for their campaign focused on product design. With this project I had the opportunity to learn how to work with different design tools and programs. - Through University

### Color Add

Got the opportunity to learn the Universal Color Alphabet: **ColorADD**. With the supervision and feedback of its creator, me and my team developed a project targeting the integration of colorblind people in society. - Through University

### Desisto

I participated in a campaign concerning children's mental health awareness for the CHUC Hospital by designing and printing posters. This campaign was developed in partnership with the Design Studio **DESISTO**. - Through University

### T.G.P

Got the opportunity to work with the company **Técnicas de Gestão Patrimonial** and do the business card and flayers.

### Fundação Aga Khan

I participated in a project where me and my team did the re-branding of two brands of the **Fundação Aga Khan** and presented them to their owners. - Through University

## \*EDUCATION\*

### 2010 - 2022

#### Salesianos de Lisboa

This school is where I had my education since the age of six until I turned eighteen. In high school I studied Visual Arts and found my passion for design.

### 2022 - Present

#### IADE - Faculty of Design and Communication

This is the university where I'm taking my Bachelor Degree on Global Design, which I will graduate from in 2025.
